## Book Order

- The bookstore seems to have screwed up the book order for the course.
  - *Moore: Concepts and Controversies* is out of stock.
    We expect the bookstore to be restocked by the end of the week. Please send email if you cannot get the book by then.
  - *Siegel and Morgan: Statistics and Data analysis* is in stock.
  - *Minitab Handbook* is in stock.

## HW 1 Excused

- *Since HW 1 is all out of the Moore book,*

  **Late Homework will not be penalized this week only, as long as it is in my office (BH 232 C) by 5:00 Mon Jan 25, 1999.**
