

HW Due This Week

- At the beginning of each lab section, there will be a folder or box at the front of the lab room where you can turn in homework.
- After 10 minutes, the box will disappear. If you have not turned your homework in by then, please turn it in **after lab** to Dr. Junker's office (232C Baker).
 - *This allows the TA's and other students to get on with the lab exercise, without distractions from latecomers to lab.*
 - *Late hw turned in to Dr. Junker will be graded according to the policy in the course syllabus.*
 - *Please do not turn in late HW to a TA. It just has to go to Dr. Junker anyway.*
