

The background is a light beige, textured surface. A large, thin black circle is positioned on the left side, partially cut off by the edge. Three small, stylized globes are arranged in a slight arc at the top of the circle. A single larger globe is located in the bottom right corner of the image.

# BIKING VS PITTSBURGH WEATHER

By Group I

Might Be Fun, But...

# Importance of Bike Friendliness

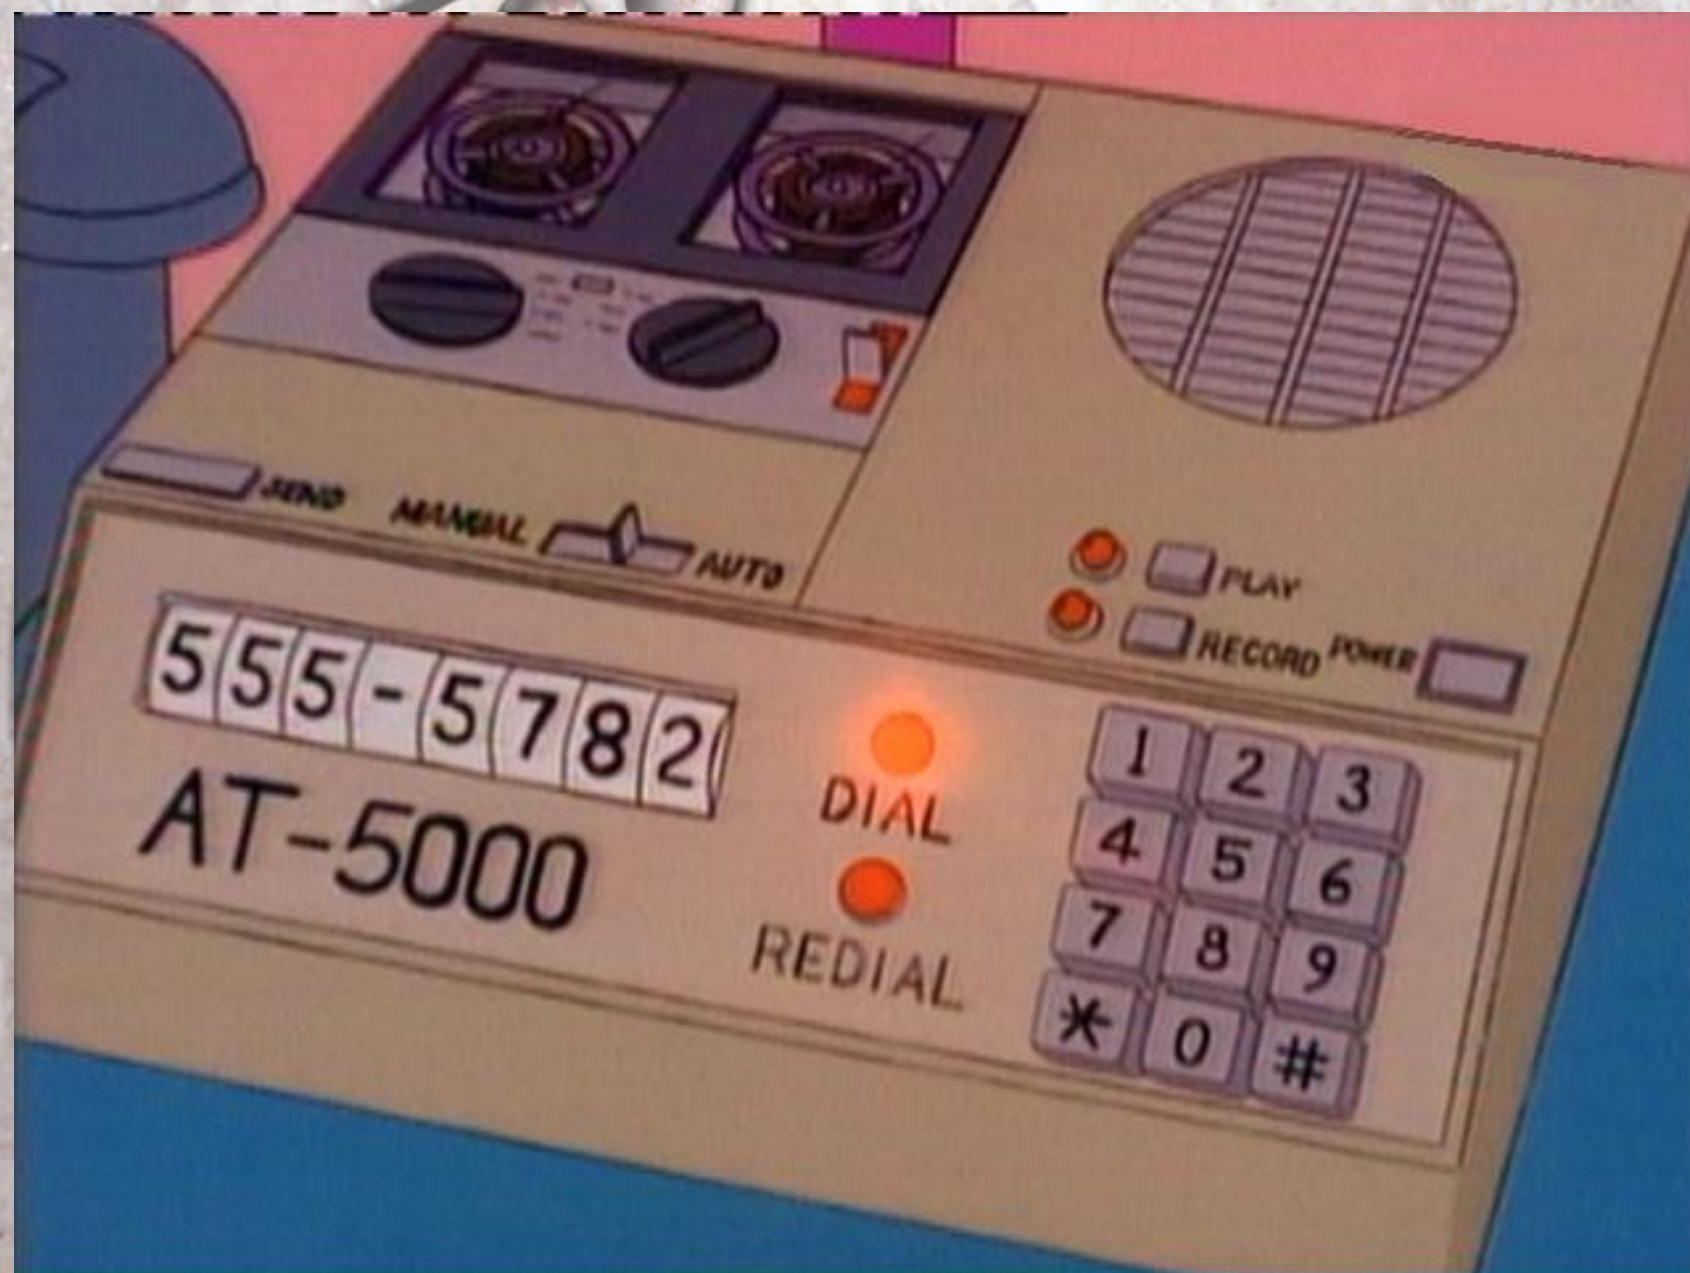

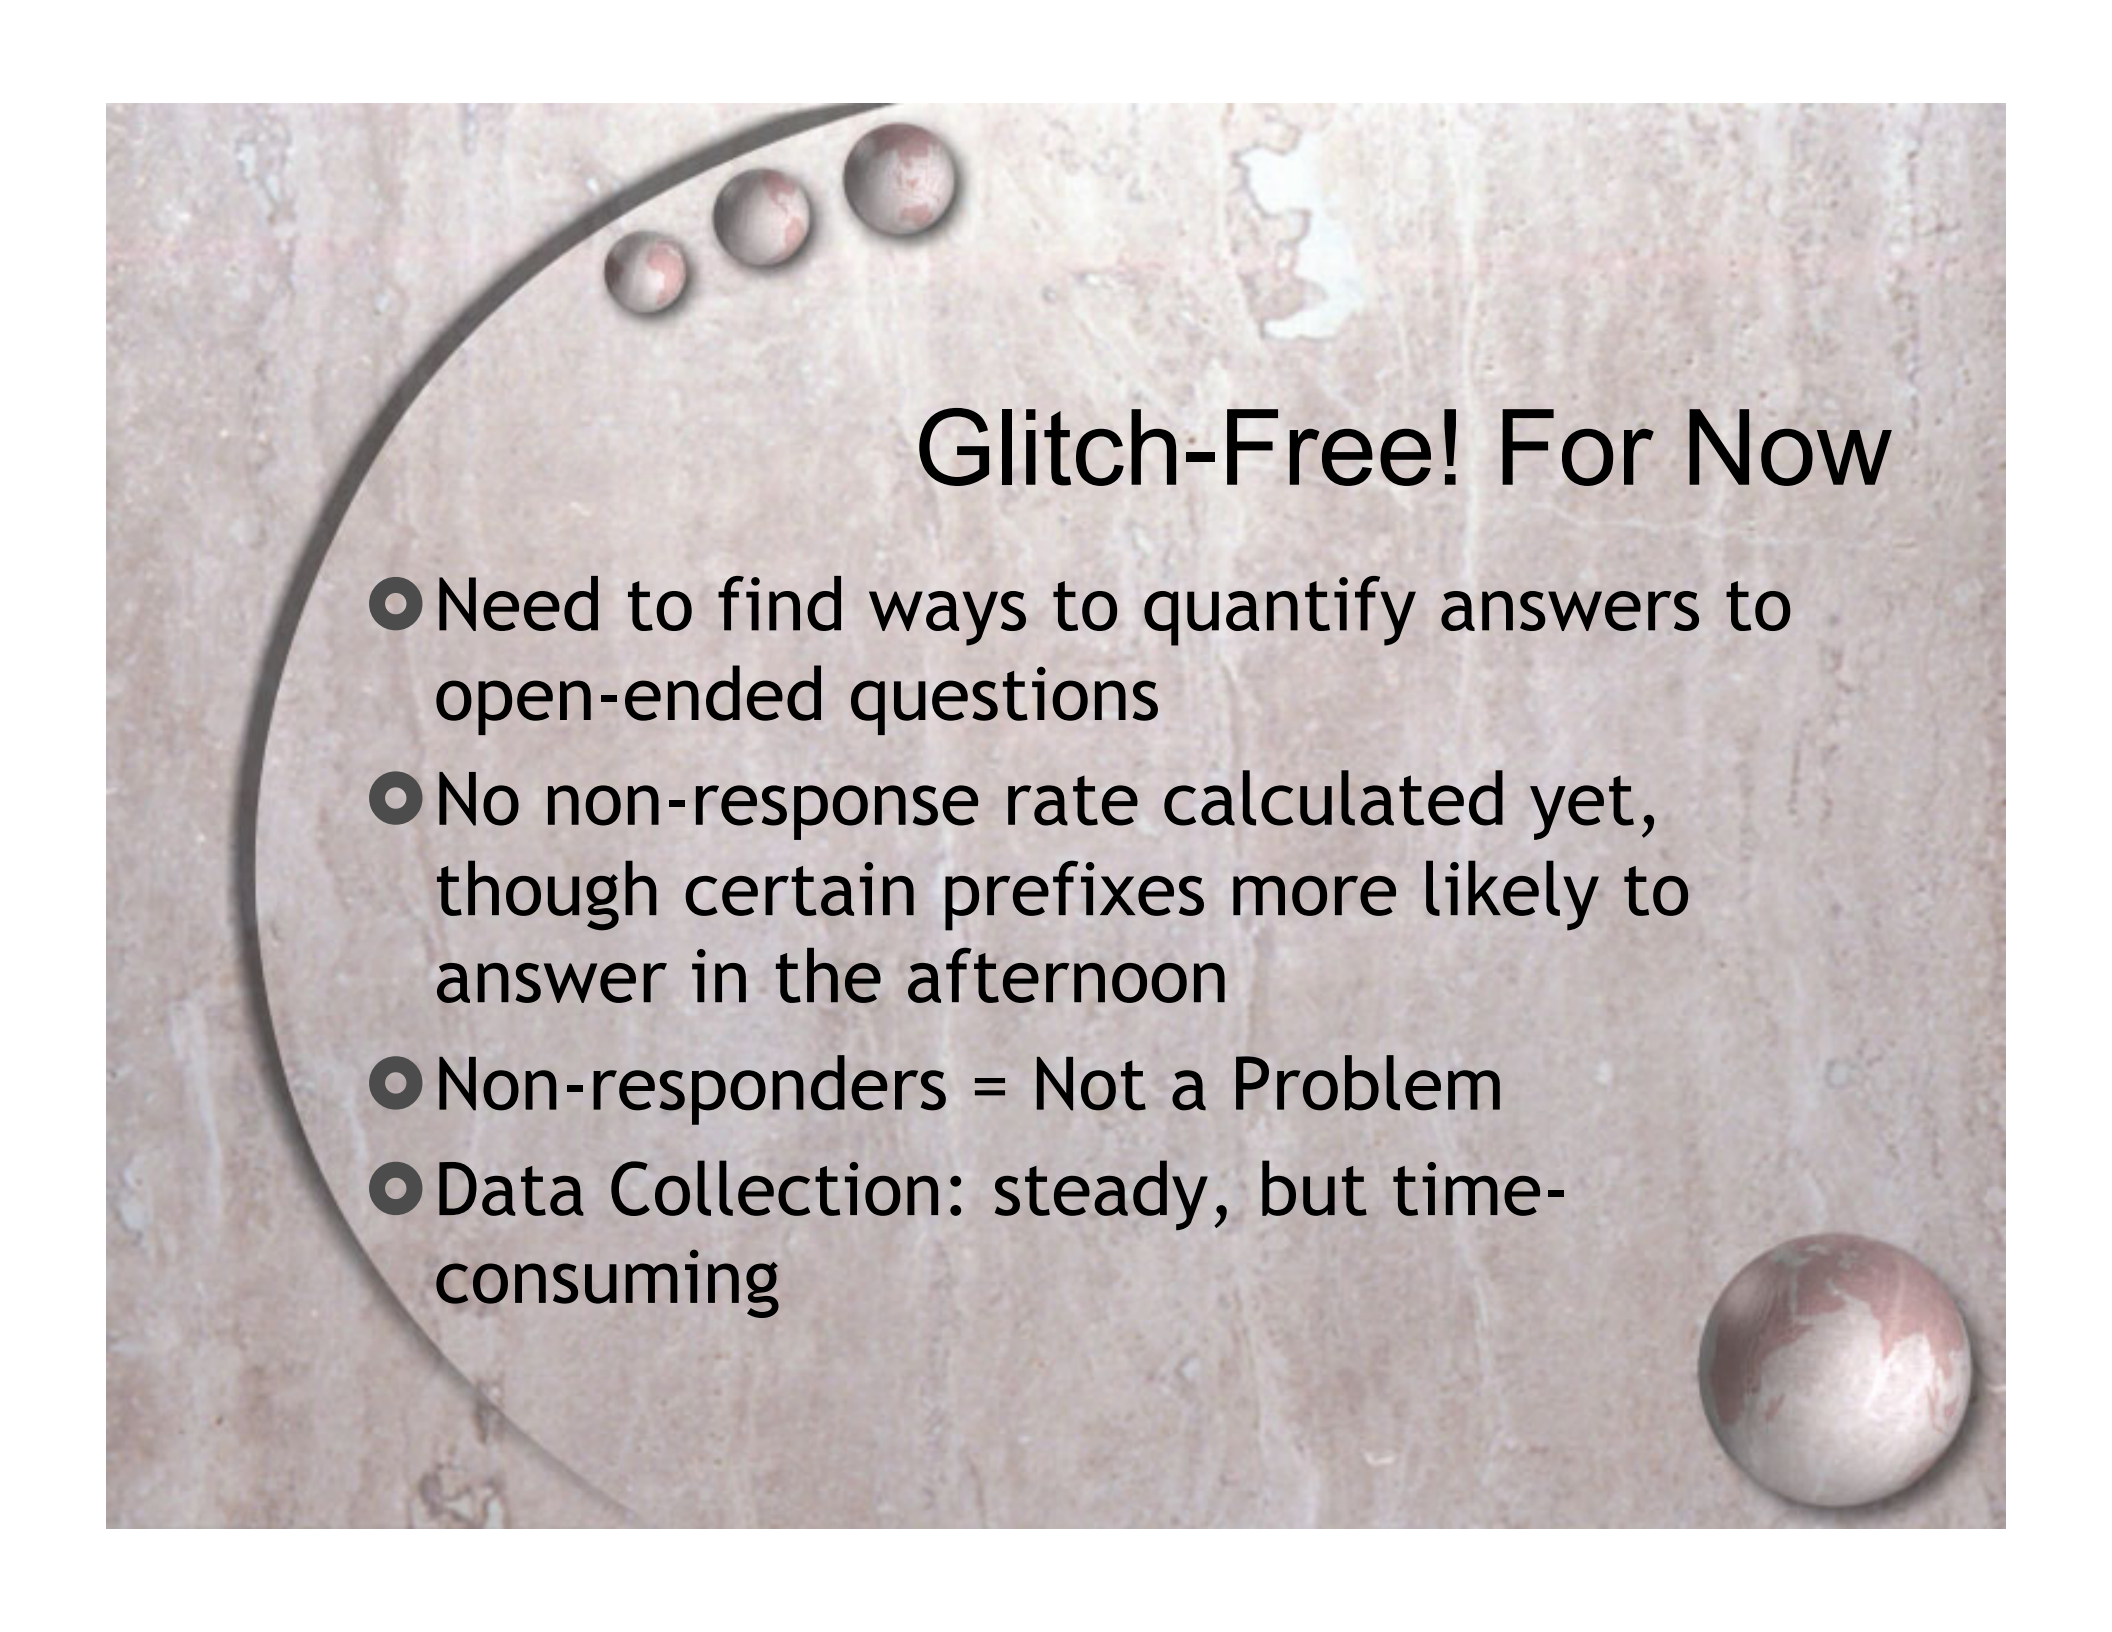

# Questionnaire

- Age, Male/Female
- Neighborhood - In city limits?
- Do you ride a bicycle? New or used? How much did you spend on it?
- Primary mode of transportation? If not, what is?
- Commute? If not, why not?
- Which season has the greatest impact?
- What can Pittsburgh do to make the city more bike-friendly?
- Thanks!

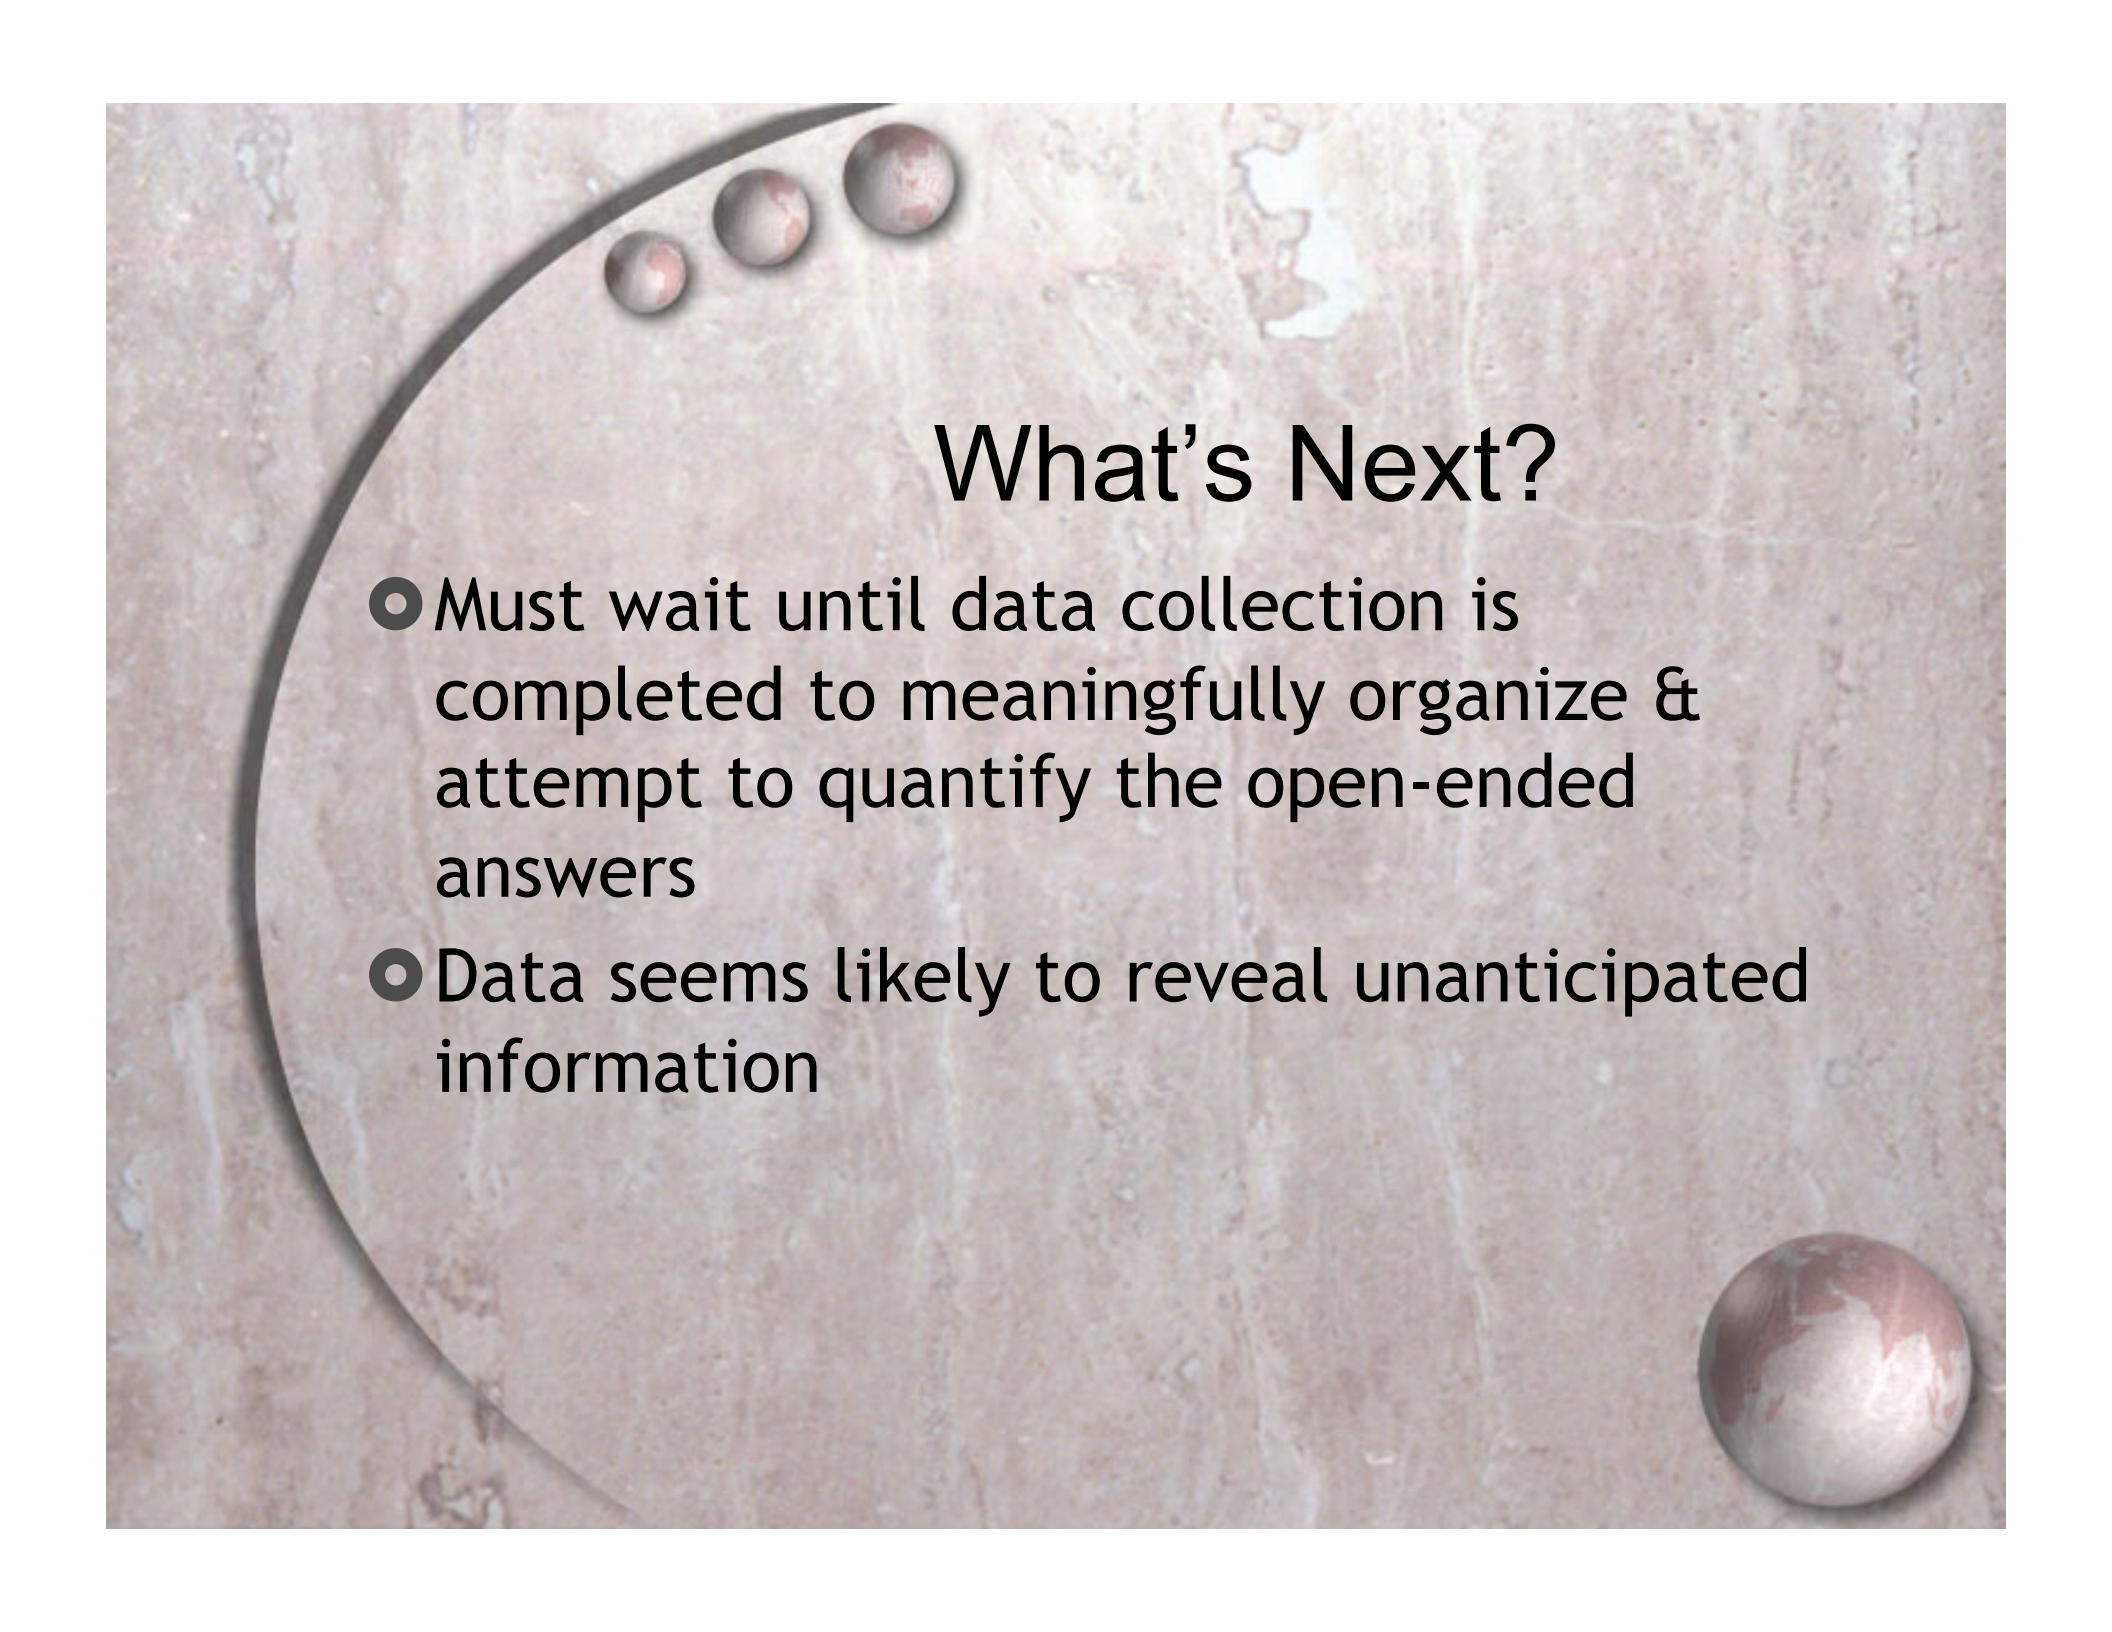

# Glitch-Free! For Now

- Need to find ways to quantify answers to open-ended questions
- No non-response rate calculated yet, though certain prefixes more likely to answer in the afternoon
- Non-responders = Not a Problem
- Data Collection: steady, but time-consuming

# What's Next?

- Must wait until data collection is completed to meaningfully organize & attempt to quantify the open-ended answers
- Data seems likely to reveal unanticipated information
