Fox411 Survey Results: Conan O'Brien should dump NBC and come to FOX

The people have spoken, and it wasn't even close.

With almost 10,000 votes in so far, 88 percent of respondents to our Fox411.com Survey below say Conan O'Brien should walk away from the train wreck that is NBC late night and graze in FOX's greener (*ka-ching!*) pastures.

Here is a smattering of comments made by Conan's fans:

"I love Conan...He appeals to the younger audience [sic] and my whole family loves watching him....for him to move his entire staff and family and this is how they treat him he should go to FOX where he can be even funnier...we will never stop watching Conan but they take himm [sic] off NBC and that channel is dead to us!!" - *Tracy*

"Bring Conan to FOX! It's the right move in the long run. Conan appeals to the younger audience, like myself, and eventually Letterman and Lenos' audience would grow old and stop watching television, or Leno and Letterman would retire. When that happens, say a decade from now, FOX will be in the best position. It's the right move, young people are future old people!" -*Ralph*

Even Conan's detractors agree!

"I don't care for Conan's style of comedy. Too loud, too flashy, too childish. I'm too old for him, I was around for Carson so Leno is more my dish though it took me several years to come around to him. That said, I'll stand up for Conan in that he's being treated badly. Go somewhere where you will be treated with more respect as an employee." - *Narcy*

Well, at least some of them do.

"Conan O'Brien [sic] is an idiot, the way he jumps up and down and acts like a fool! Never have thought he funny

in anyway, and besides he is not the best looking dude in the world, no matter how you look at him! So happy to hear you are getting rid of him - and don't think Fox should want him either! Sincerely' - *Patti W.*

What should Conan O'Brien do?

- ☐ Bite the bullet and stay with NBC - a job's a job. Stuff happens.
- ☐ Make NBC pay dearly and switch to FOX - because revenge is sweet.
