What is the one thing this person *currently does* that enhances the success of the group project?

Chris is extremely cooperative and he goes with the flow of the group. He is open to new ideas and suggestions. Therefore, working with him is easy. Also - he is really good at the mathematical aspect of our project and he has some brilliant ideas.

What is the one thing this person *could do* that he/she is currently not doing, to enhance the success of the project?

He could be a little more involved in making suggestions. He is extremely good in following through and is very good at listening and he works really well but sometimes he could take an initiative which could be an advantage to the rest of the group.
