Exam 2 Scores

```
> summary(exam02)
  Min. 1st Qu.  Median    Mean 3rd Qu.    Max.
 34.00  71.50   79.00   77.42  84.50   96.00
```

- Upper quartile was a bit low (wanted 90!) but otherwise good distribution
- Approx Letter Grades:
 - 90-100 A
 - 80-89 B
 - 65-79 C
 - 50-65 D

Comments on Exam Problems

- #1 – seemed to trip people up more than I expected! Not very many 20's, and a few 5's!
- #2 – a bit long, but people mostly got the idea – great!
- #3, #4, #5 – no surprises
