

Better Way

Vocal parts with D drone (chords: D, C/G/D)

(D)

I'm a li-vin' sunset high-thin' in my bones Push me to the edge but my will is strong cause I
be-lieve in a better way

High part should be doubled one octave lower (starting on middle C)

Alternate arrangement with G drone (chords G, F/C/G)
[we probably won't use this]

(G)

I'm a li-vin' sunset high-thin' in my bones Push me to the edge but my
will is strong cause I be-lieve in a better way -double low voice up one octave
