Criteria	Ratings	Pts
This criterion is linked to a Learning OutcomeTitle Clear, Interesting, Focused	This area will be used by the assessor to leave comments related to this criterion.	5 pts
This criterion is linked to a Learning OutcomeAuthor/Contact Info Your name and email addr.	This area will be used by the assessor to leave comments related to this criterion.	0 pts
This criterion is linked to a Learning OutcomeAbstract Summarizes I,D,M,R,D in approximately 3-6 brief clear sentences.	This area will be used by the assessor to leave comments related to this criterion.	5 pts
This criterion is linked to a Learning OutcomeIntroduction Brief, clear, to the point; context for the problem; What is the problem/aim of the study? What questions will be answered?	This area will be used by the assessor to leave comments related to this criterion.	10 pts
This criterion is linked to a Learning OutcomeData How was the data generated? By whom? Variable definitions, sample size, quick numerical summaries of the variables and initial EDA. Don't forget to add some sentences/paragraphs explaining everything!	This area will be used by the assessor to leave comments related to this criterion.	5 pts
This criterion is linked to a Learning OutcomeMethods List the methods and/or analyses that will be used to answer each question stated in the Introduction. No data analysis, graphing, model fitting, etc. appears here	This area will be used by the assessor to leave comments related to this criterion.	5 pts
This criterion is linked to a Learning OutcomeResults Statistical analysis & results in order parallel to Intro & Methods; no new methods or data; no big picture discussion	This area will be used by the assessor to leave comments related to this criterion.	10 pts
This criterion is linked to a Learning OutcomeDiscussion Recap findings; address main problem/question; strengths & weaknesses; implications, unanswered questions, future research	This area will be used by the assessor to leave comments related to this criterion.	10 pts
This criterion is linked to a Learning OutcomeMechanics Clear, easy to follow sentences, paragraphs & sections; Grammar, spelling, no overly fussy word choice, sentence structure, etc.	This area will be used by the assessor to leave comments related to this criterion.	5 pts
This criterion is linked to a Learning OutcomeStatistical Content Correctly and appropriately uses technical and non-technical material we have learned in class. Easy to follow; Analysis makes sense/not crazy (roughly 10% per research question)	This area will be used by the assessor to leave comments related to this criterion.	40 pts
This criterion is linked to a Learning OutcomeReferences & Citations Follow ASA guide, "The Reference List" & "Reference Citations" (be sure to cite all sources!)	This area will be used by the assessor to leave comments related to this criterion.	5 pts
This criterion is linked to a Learning OutcomeTechnical Appendix Helps me to understand your paper and give you max points above; Easy to follow. Complete analyses: R code, output, graphs, tables, and comments explaining what you did and why.	This area will be used by the assessor to leave comments related to this criterion.	0 pts
Total Points: 100
